Novatech High Performance

The High Performance Door

Energy efficiency also goes through the front door

The front door can be considered the heart of your home. This is why we have taken the design of this steel door to another level in terms of energy performance. A door that keeps the cold winter air and the summer heat outside to make your home comfortable all year round.

- ✓ Improved Comfort
- ✓ Energy Efficiency
- ✓ Superior Durability
- ✓ Increased Security
- ✓ Unrivaled Soundproofing

Victoria steel door p.35

Soho steel door p.35 with Avenue stained glass p.30

Doors

The High Performance door is not only more insulating, but thicker and stronger than any other standard product offering increased security and exceptional energy efficiency.

Available Models

Match your entry door with your garage door

Textured glass marked with the Garaga logo are available for your garage door. Details on page 64.

Design Collection Doors

The unique doors of this collection are the perfect counterpart to the horizontal lines that triumph in contemporary architecture. Minimalist yet bold, their design brings contrast to strongly textured facades, making the entrance a striking visual element. Vivid or neutral in color, Design Collection doors never go unnoticed.

configuration)

Grills

Grills are a great way to match your entrance to the rest of the windows on your classic style home. For a modern, contemporary look, choose a configuration with fewer dividers like our Classic and Country Style Grills. Best of all, our grills are between the glass meaning they are maintenance free and will never need to be cleaned.
